## FAREHAM **BOROUGH COUNCIL**

The majority of the funding is likely to come from Fareham Borough Council.

The improvements would be designed to last up to 50 years, and would not require significant maintenance over it's lifetime.

Detailed costs will likely be developed with the

- An engineering consultant,
- Early input from an engineering construction contractor
- Comparing costs of similar coastal schemes (previously undertaken by the Coastal

60

Owners of private coastline, known as 'Frontagers', are generally responsible for the upkeep of their own coastline.

If Frontagers can group together we may be able to help identify, and apply for a variety of coastal community funding.

If you are interested in following this up, please leave your contact details<sup>1</sup> with a member of the Coastal Team.
